## REST STOP STORIES: JUST TRAVELING THROUGH

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered where all the people crowding the interstates are going to? What they are leaving, and where they hope to end up? I do. This book is about some of those people. Over the course of a summer, I spent four months in rest stoops across America s heartland. I gathered stories from 12 exceptional people. Stories of courage, humor, heartbreak, and anger. These are their stories. Setting up a little table and a homemade sign, I sat and waited for them to approach me. Using a computer and a tape recorder, I took down their stories and put them in this book. I think you will enjoy it, whether taking it along as an easy read on your summer vacation, or as a lesson in human psychology. The book is fast paced, easy and fun to read, and introduces you to those 12 extraordinary people, the same people sharing your rest area with you today.
