Brand New Book ***** Print on Demand *****.Jack is terrified as a ten year old boy when he sees a man in his closet. The ghost of Henry lives through Jack as he grows up and becomes a famous rock star. But the ghost is affecting Jack negatively, by getting into his thoughts and influencing his actions. It s causing a drain on Jack s psyche, and even changing his personality. Friends from all dimensions try to help Henry and Jack. This may be a first, but there s even a Spirit Guide with flair. This fictional story describes the workings of the Spirit World, and how we are guided by Angels in our everyday life on Earth. It conveys that death is not final, but merely a transition because bonds of love are never broken, even after death. This story touches on suicide, tragedies, and spirits who become trapped on the Earth plane after death. The hope is that it will bring comfort to those who long for the ones who have crossed over, human or otherwise. Illustrated.
