New Brookland Press. Paperback. Book Condition: New. Paperback. 400 pages. Dimensions: 8.0in. x 5.3in. x 1.0in. Outies is an authorized sequel to *The Mote in Gods Eye* and *The Gripping Hand* by best-selling SF duo Larry Niven and Jerry Pournelle. With a fresh point of view, deep continuity, and page-turning plot twists, J. R. (Jennifer) Pournelle brings a mature generation of Moties to life for a mature generation of readers. Outies introduces new characters, adds depth to beloved old ones, creates a rich, imaginable world, and gives clear voices to aliens and outsiders. In a return to the CoDominium universe of the Second Empire of Man, Outies pauses at the fringes of human space, on an outworld that never knew fossil fuels. New Utah instead pushed crude solar technologies to the limits of everyday utility. But a planet is a big place - and its time for the New Utahns to meet the neighbors. Blending hard science and social science, Outies explores complexities of biology, geology, and ecology at the heart of alien Motie society and evolution. While military science fiction in a sense, that sense is very much of the wars of our time. Outies plunges through the confusion, chaos, factionalism, and unpredictability of low intensity conflict with realism, but largely through civilian eyes. In a twist on traditional space opera, it introduces Asach Quinn - a wily, thoughtful, genderless, and diplomatic foil to reckless pilot Kevin Renner. Leaving the aristocratic manors of Sparta, Quinn burrows deep inside the heads of members of the Church of Him - who believe that the red dwarf visible twinkling through the Coal Sack Nebula is literally the Eye of God. Pournelle - an ex-Army intelligence officer turned anthropologist - provides New Utah and its characters with a rich sense of place and deep...
