Fossils Tell of Long Ago

By Aliko

HarperCollins, United States, 2016. Paperback. Book Condition: New. Revised. 254 x 203 mm. Language: English . Brand New Book. What is a fossil? Sometimes it s the imprint of an ancient leaf in a rock. Or it could be the skeleton of a dinosaur that has turned to stone! With clear prose and lovely, full-color illustrations, award-winning author and illustrator Aliko describes the different ways fossils are formed and what they tell us about life on Earth long ago. Now rebranded with a new cover look, this book includes beautifully detailed illustrations and a find out more section with a glossary and activity guide so kids can create their own fossils for someone to find a million years from now. Author/illustrator Aliko has penned four books listed as exemplary titles in the Common Core Standards and is a widely recognized name in nonfiction for children. Both text and artwork of this new edition were reviewed for accuracy by paleontologist Dr. Kathryn Hoppe and by Dr. William F. Simpson of the Field Museum.This is a Level 2 Let s-Read-and-Find-Out Science title, which means the book explores more challenging concepts for children in the primary grades and supports the Common Core Learning...
